

I AM THE NCR REALPOS X-SERIES DISPLAY FAMILY FOR NCR COUNTERPOINT

THE X-SERIES DISPLAYS OFFER THE FLEXIBILITY AND RUGGEDNESS YOU NEED IN AN ULTRA-THIN DESIGN THAT WILL LOOK GREAT IN ANY RETAIL ENVIRONMENT.

For more information, visit ncr.com, or email retail@ncr.com.

New Larger 10.4" Size

Your stores are unique and your needs are always changing. The XSeries display, at 10.4," can be used for associates or for customers, to show pricing and promotional messages. Integrated to a POS terminal, these displays are sure to enhance the appearance of your wrap stand or checkout and save you valuable counter space.

Connect with shoppers where it counts

Engage shoppers by providing them useful information on pricing, promotions, or upcoming events with the X-Series display family. All of the X-Series displays feature high brightness to make it easy to read and to create an enjoyable experience for both your customers and store associates.

Play it safe

Let's face it, your store environment can be harsh on point-of-sale equipment. The X-Series displays are sleek and elegant looking, but don't let that fool you. All of the X-Series displays are engineered to withstand the rigors of retail without compromising appearance or ease of use. And because accidents will happen, they are resistant to minor liquid spills and even dust. the zero bezel design also makes it easy to clean.
